

## Appendix B: Project Governance

The Project Group met on a monthly basis throughout the project. Their work was overseen by the following:

**Project Steering Group:** A subset of the Project Group, with membership consisting of Simon Young (Tavistock and Portman NHS Foundation Trust), Bruce Clark (South London and Maudsley NHS Foundation Trust), Pat Howley (NEL Commissioning Support Unit) and Rob Senior (Tavistock and Portman NHS Foundation Trust). The steering group was chaired by Simon Young.

**CAMHS Payment System Project Board:** Chaired by Martin Campbell (NHS England) with membership consisting of Sue Nowak (NHS England), Barbara Fittall (NHS England), Deborah Moore (NHS England), Jonas Akuffo (Monitor), Miranda Wolpert (University College London and the Anna Freud Centre), Panos Vostanis (University of Leicester) and Simon Young (Tavistock and Portman NHS Foundation Trust). Reports on progress and planned work were submitted on a bi-monthly basis to the Board until October 2014, after which the Board were updated with materials related to the December 2014 engagement events (to which they provided valuable input) and the draft proposed groupings.

**Mental Health Payment System Steering Group:** Chaired by Geraldine Strathdee (NHS England) and consisting of members from the mental health community with expertise in particular issues. This group formed in 2014 and the project's findings and draft groupings were presented at its meetings in January and March 2015.

Other groups that provided advice included the CAMHS Payment System Project Advisory Group, which met on six occasions from February 2012 to November 2014, and the Mental Health Product Review Group (till January 2014).
